

COLD IS IN THE FORECAST ... PREPARE NOW

Your Propane Pre-Buy gallons are now available for purchase!

To help you in making a decision on how many gallons to purchase, we have listed your consumption below. If you would like to contract propane gallons for the upcoming heating season, simply detach the bottom portion of this letter, select your payment type, fill in the number of gallons that you would like to contract, multiply the number of gallons against the price per gallon based on your payment method, write the total in the amount due, sign the form and return it to our office with your payment in full by the expiration date listed at the bottom of this letter.

If you have a **credit on your account** that you would like to apply to this contract, please enter that amount on the form and deduct it from your total remittance amount. There is no automatic rollover of any credits on your account, you must sign a new contract each year.

If you have any questions about this contracting process, contact your Customer Service Representative at 1-800-671-9759.

Our current programs may also be viewed on our website at www.federatedcoops.com.
