If you would like to contract propane gallons for the upcoming heating season, simply detach the bottom portion of this letter, select your payment type, fill in the number of gallons that you would like to contract, multiply the number of gallons against the price per gallon based on your payment method, write the total in the amount due, sign the form and return it to our office with your payment in full by the expiration date listed at the bottom of this letter.

If you have a **credit on your account** that you would like to apply to this contract, please enter that amount on the form and deduct it from your total remittance amount. **There is no automatic rollover of any credits on your account, you must sign a new contract each year.**
